BUSINESS PROGRAMME- 2021 FEATURES

UN General Assembly declared 2021 the International Year of Creative Economy for Sustainable Development

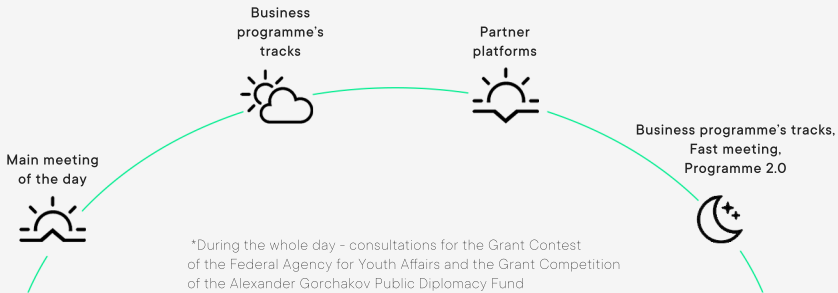

Possibility to provide the Forum with the aegis of UNESCO is being worked out.

BUSINESS PROGRAMME

Working languages of the Forum are Russian and English

MEETING OF THE DAY

Format – Discussion, TED Talks, interviews and talk shows with invited guests on the main topic of the day.

Speakers – experts in different areas that study creative industries in the world: statesmen, community leaders and scientists.

Topics suggested:

World without borders and global problems of the modern time. What challenges does the youth deal with in the context of the new normality.

Creative industries as a driver of the problematic territories' development. Role and challenges for the youth.

Creative industries as a cross-cutting competence of the future, which cannot be mastered by the machines. What challenges should young leaders get ready to for the sake of comfortable life in the face of the XXI century growing complexity?

Economic growth space and new rules of the economy in the era of hybrid reality.

ONLINE-FORUM ●

Trend of the modernity - Online

Adequacy. Site is a special platform for holding a full-fledged online event, which gives a full vision of all the site's services from any point of the world.

Interactivity. Built-in player lets switch from lectures to the "live" option with interactive functions. On the main page you can get to know the speakers, switch to their biographies and rate their performance at the Forum.

Openness. Any registered participant can question a speaker. Question reaches the speaker in real time after going through expeditious moderation.

Synchronization. Real time broadcast from three halls and studio placed on the platform of the offline forum.

Networking. Each session has an active chat, where all the registered participants can communicate with each other. Specially developed content filtering algorithm helps to keep an eye on the censorship. Site allows to create a chat with the purpose to bring together people who share the same interests.

PRE-PROGRAMME

Contest «Leaders of international cooperation – Eurasia»

Contest goal — promoting project activities aimed at developing of international youth cooperation.

Contest will be held online from May to July 2021.

Based on the results of the Contest up to 20 young foreigners are going to be selected for participation in the Forum.
